Highly motivated Full Stack Developer with a passion for developing responsive, intuitive, and dynamic web applications. I have successfully completed an intensive bootcamp course in full-stack development at The University of Adelaide. Through the bootcamp, I gained expertise in front-end and back-end technologies, including HTML, CSS, JavaScript, MySQL, React, Node.js, Express.js, and Python. I have experience working in agile development environments and thrive in learning new technologies quickly and efficiently.

With strong work ethic, I have demonstrated my ability to adapt to new challenges and deliver high-quality work on time. My excellent problem-solving skills and attention to detail enable me to create robust and user-friendly web applications. I am eager to join a dynamic team where I can apply my skills, contribute to projects, and continue to grow as a Full Stack Developer.

EXPERIENCE

JUN 2023 – CURRENT
